**CORPORATE GOVERNANCE STATEMENT - FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023**

This Corporate Governance Statement is current as at 31 December 2023 and was approved by the Board of the Company on the 30 April 2024.

This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ended 31 December 2023, followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the recommendation during that period. The Company complies with the majority of the recommendations set out in the Australian Securities Exchange ("ASX") Corporate Governance Council's Corporate Governance Principles and Recommendations 4th Edition (the "ASX Principles").

The Company has adopted the following charters and policies which provides the written terms of reference for the Company's corporate governance duties:

- Trading Policy;
- Diversity Policy;
- Code of Conduct Policy;
- Whistleblower Policy;
- Continuous Disclosure and Communication Policy;
- Anti-bribery and Corruption Policy;
- Primary Nomination Charter;
- Primary Board Charter;
- Primary Audit and Risk Charter; and
- Primary Remuneration Charter.

The Company's Corporate Governance Charters and Policies are available on the Company's website at [www.challengergold.com](http://www.challengergold.com). Additional information that is relevant to this corporate governance statement can also be found in the Group's annual report for the year ended 31 December 2023.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.
